

LITTLE LEARNERS

Little Learners is a program with a developmental and music focus to support children with their language, motor and social-emotional skills.

→ What is involved?

- Sessions will be based on themes around functional everyday topics (such as my body, emotions, morning routine, friends)
- Each session will involve introducing the theme through music and facilitating theme-focused play
- Upon the last session, parents will receive a home program with strategies to further support the development of these skills at home

→ Details

- Designed for children aged 3-5
- Facilitated by our speech pathologist, Helen, and occupational therapist, Ralph
- Weekly Wednesday sessions in the clinic from 9.30 - 10.30am
- Starting Term 1 2024

Email or Phone us to Register for Term 1, 2024
